MEMORANDUM FOR: Director of Personnel

SUBJECT : Twentieth Anniversary Ceremony

We forwarded your paper on the Twentieth Anniversary Ceremony to Colonel White, who says you should be commended for thinking so far ahead about this program. He does think it is a little early to talk about this with the Director. I believe you said that if we should be fortunate enough to have the President or the Vice President attend the ceremonies, it might be necessary to start about a year ahead to make the arrangements. If this is correct, will you please suspend this paper and bring it up again about 1 September 1966.
